

ROBERT MURPHY

PROFILE

Dear Client

As experienced Front-End Developer/Automation engineer, adept in all stages of advanced web/automation development.

Knowledgeable in user interface, testing, and debugging processes.

Equipped with a diverse and promising skill-set.

Proficient in an assortment of technologies, including React, Vue, PHP, Python, SQL and Linux server.

Especially I mastered React/Next, Vue/Nuxt for responsive web interface development and web scraping, automation using Python.

Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

My goal has been building elegant, professional-looking, and performant-focused solutions that support my enterprise and small business clients in continuing growth.

Thank you
